Thank you for your time with Omlet Arcade

Dear Omleters,

It is with heavy hearts that we announce the unfortunate news regarding the future of Omlet Arcade. After careful consideration of the company's situation, we have made the difficult decision to proceed with the shutdown and our last day of operations will be this Friday (June 30, 2023).

All active subscriptions will be cancelled, and you will have the option to request a refund from your payment operator (App Store/Google Play/Huawei etc.). The final decision regarding the refund will be made by the respective payment operator.

We want to take this opportunity to express our deepest gratitude for your unwavering support over the years. Your unanimous support has meant the world to us and we cannot thank you enough for being a part of this incredible journey.

Thank you, Omleter, for being a part of our journey. It has been an absolute honor.

With deep appreciation,
Omlet Team

See you next time!

Withdrawal Announcement

Dear Omleters,

We regret to inform you that, unfortunately, we are compelled to make changes to our withdrawal policies due to the recent lawsuit filed by the Securities and Exchange Commission (SEC) against Binance and Coinbase. As a result of this legal development, MATIC has been classified as a security, and we are now required to adjust our operations accordingly.
